

ADVINTEL IS HIRING

Cybercrime Intern

INVESTIGATOR

ABOUT US

Advanced Intelligence LLC, is looking for aspiring and motivated threat intel researchers for our CyberThreat Early Warning Project.

We are a cyber threat prevention boutique company launched by a team of certified investigators and former government researchers.

THIS POSITION OFFERS A GREAT
OPPORTUNITY TO IMMERSE ONESELF
IN A HANDS-ON SECURITY ENVIRONMENT
AND DEVELOP EXTENSIVE KNOWLEDGE,
SKILLS, AND FIELD EXPERIENCE IN
CYBERSECURITY, CYBER INTELLIGENCE,
AND FRAUD INVESTIGATIONS.

PUBLIC GOOD

Help us protect our communities during the global pandemic. Our Early Warning project is dedicated to notifying healthcare customers, and providing free notification support to educational institutions, churches, religious communities, Tribal Authorities, hospitals, and nonprofits.

ENTER THREAT

ADVINTEL

EXTENSIVE TRAINING

Receive extensive training introducing you to the current cyberthreat ecosystem. Learn about malware groups, ransomware syndicates and the most sophisticated cyber fraud schemes.

PUBLIC-FACING RESEARCH

Build your public profile with us – we always give credit to our analysts. Your name will be listed with your research, and we always make sure to promote our analysts' findings.

MASTER THE INTELLIGENCE CYCLE

Master the full intelligence cycle, from collection and analysis, to production and dissemination of finished intelligence reports.

SEND YOUR RESUME AND COVER LETTER TO YELISEY@ADVINTEL.TECH
